Curbside Single Stream Recycling

Place your tan recycling cart at the curbside by 6:00 AM, every other week on Thursday. See the calendar for your pick up schedule.

The green cart is for trash. The tan cart is for recyclables.

Place your recycle cart at least 5 feet from your trash cart or other obstacles like a sign or mailbox. Placing the recycle and trash cart on opposite sides of the driveway works well.

Collect the recyclables and place them inside the tan recycle cart.
