

Dear City of Halstead resident,

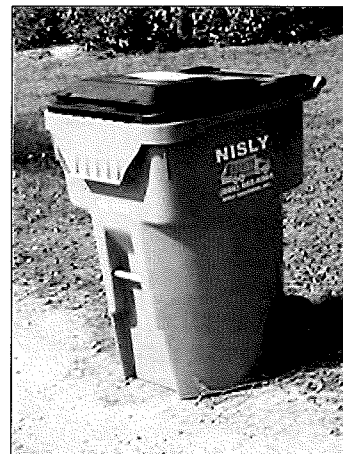

As you know, on May 1, 2022, Harvey County closed the recycle facility at the Harvey County Transfer Station, and the City of Halstead cancelled curbside recycling service for city residents.

Nisly Brothers Offering Recycling Again:

Many of you have asked us if we could somehow provide recycle services to residents in Halstead. We now have permission from the City of Halstead to make curbside recycling available to residents on an individual basis. **Beginning October 1, 2022, we will again have curbside recycling available to residents.**

What's Different:

Recycling will not be billed by the city with the trash service and other utilities. Instead, each resident who wants the recycling service must sign up for recycle service with Nisly Brothers. The trash service will continue to be billed by the city.

**Recyclables are collected every other week on MONDAY.** See the map on the back for details on pickup day in your area. Please have your cart at the curb before 6:00am on pickup day. We work hard to keep your recyclables free from contaminants. No plastic Bags, No Trash. Please see the recycle guide on the back for more details.

Billing:

**Effective October 1, 2022,** Nisly Brothers will provide recycle collection service to Halstead residents who want the service. The cost for the service is \$12.60 per month and we bill quarterly. The total quarterly amount for one cart dumped every other week is \$37.80 per quarter. **We require email billing and Autopay to set up service.** We collect the charges for the first quarter when you sign up. Before the end of the quarter, you will receive your invoice for the next quarter by email.

The rate for 1 recycle cart is \$37.80 per quarter. **Recyclables are collected on Monday.**

Signing Up for Recycle Service:

If you'd like to set up recycle service again, we recommend calling us at 620-662-6561 before September 25, 2022, to ensure that we can deliver your recycle cart in time for your first recycle pick-up. We expect to deliver your recycle cart September 26-30.

If you have any questions or concerns, please call our office, and we'll be happy to help you!

Sincerely,

J Marvin Nisly  
President
